AT LALOO'S®, WE BELIEVE THAT QUALITY OF FOOD AND ENJOYMENT OF LIFE UNITE.

Goat Milk Ice Cream, Digestibility and Lactose Intolerance

Laloo's ice cream is 100% goat's milk which makes it easy to digest for many people who are lactose intolerant or have allergies to cow milk products. Laloo's also is naturally low in fat and lower in calories than most conventional ice creams.

Respiratory Issues Benefit from Goat Milk

Laloo's is significantly lower in catarrh (mucus) properties than cow milk ice cream, thus reducing respiratory complaints for children and adults.

Flavor

Laloo's uses fresh raw milk from the family farm and slow cooked to produce the creamiest texture to compliment the exquisite mild custard like flavor. You'll never believe it came from a goat!

- Low fat for a heart healthy diet
- Lactose Friendly and easy to digest
- All Natural – Hormone, pesticide, and GMO free
- Humane Certified
- Hand crafted in Sonoma County using the freshest gourmet ingredients
- Low in calories
- High in proteins
- Elevates immunity

Doctors & Midwives Agree

Goat milk's chemical structure is amazingly similar to mother's milk. It is a complete protein containing all the essential amino acids. Goat's milk products are superior choices for pregnancy and for nursing mother's.

Vitamins and Minerals

Goat's milk contains more vitamin A and D than cow milk. The potassium, copper and manganese content of goat's milk are also higher.
